ASSOCIATION

NCLCA

NCLCA Emergency Relief Grant (N.E.R.G. - Energy!)

Recognizing that our members will suffer due to natural disasters and lose much of the gathered material used in supporting student success, the NCLCA has established this grant aimed to help replace material quickly. Affected institutions where an established learning center exists are welcome to apply for this grant of between \$500-\$1000. The funds will be disbursed to an individual leading tutoring/academic support, rather than the institution, shortly after the application is assessed and approved using either Paypal or check. A final report identifying what the grant funds were used to replace is expected within one month of disbursement, maximum one page, submitted electronically to the Treasurer. Contact David Reedy, NCLCA Treasurer (dreed@ncu.edu) for more information.

Please complete the information below which is confidential; shared only with NCLCA board.

Name and address of Institution and Learning Center: _____

Name, address, email and phone number of the individual to whom the payment will go:

Payment request type _____ Check; _____ Paypal (Include Paypal email above).

Types of material lost to be replaced: _____

Approximate value of lost materials: _____

Amount you are applying for (between \$500-\$1,000): \$ _____

Signature of Learning Center director is expected.

Please contact David Reedy, NCLCA Treasurer with any questions. (419) 303-1908.

Using the format above, please return this information to Dreed@ncu.edu as soon as possible.
